Dear Parents/Guardians,

Windsor Learning Center is offering an instrumental program to begin in September. Participation in this program is a privilege, not a requirement. Students will be expected to work hard during their lessons and practice on their own during the week. Based on interest, we will offer instruction in the areas listed below. Your son/daughter must either have access to the instrument they wish to play or rent the instrument. Windsor Learning Center will provide the instruction portion of the program to all students participating on a bi-weekly basis.

If you would like your son/daughter to participate in this program, please fill out the form below and return it to school. Enrollment in our instrumental program is limited and therefore, will be offered on a first come, first serve basis. The deadline for enrollment is Friday, September 24th. Parents are responsible for the leasing and care of the instrument. If you are interested in renting an instrument, please go directly to the Music Den's website at www.themusicden.com and complete the rental contract agreement form. Students who participate in our individualized instrumental instruction and are renting an instrument from The Music Den or own their instrument must **not** leave their instrument in school. Windsor Learning Center is not responsible for any damage or loss of an instrument if it is left in school on a day other than the day the student is scheduled for their instruction. Review with your child their scheduled instruction day and reinforce their need to properly care for all instruments while they are in school, in particular, the need to bring the instrument home at the conclusion of the school day. If the form is not returned, it will be assumed that your son/daughter is not interested in instrumental lessons. Please feel free to contact me if you have any additional questions.
