

Image Consent Form

We are sending you this image consent form to request permission for your son/daughter's photo/image to be posted on the school's website, www.windsorschools.com, as well as published in all other forms of media that are related to and/or generated by our school.

As you are aware, there are potential dangers associated with the posting of personally identifiable information through media and on a website since global access to the Internet does not allow us to control who may access such information. These dangers have always existed; however, we as schools do want to celebrate your son/daughter and his/her work. The law requires that we ask for your permission to use information about your son/daughter.

We **will not** release any additional information such as last name, residential addresses, e-mail addresses, phone numbers or locations and times of class trips. If you wish to rescind this agreement, you may do so at any time in writing by sending a letter to the principal of our school and such rescission will take effect upon receipt by the school. Please be advised that local newspapers and other organizations may publish photos/images as a result of students being recognized for a variety of accomplishments; these may subsequently appear on that organization's website. We do not have any ability to prevent such postings. Please feel free to contact the school office if you have any questions.
