Dear Parents/Guardians,

Windsor Learning Center is offering an instrumental music program. Participation in this program is a privilege, not a requirement. Students will be expected to work hard during their lessons and practice on their own. Lessons will be offered for the instruments below. The school will provide certain instruments for your child to use while at school (piano, drums, marimba/xylophone, guitar) **all other instruments will need to be rented or acquired independently for your child to take a lesson.** Lessons will be provided on a scheduled basis by our music department.

If you would like your child to participate in his program, please fill out the form below and return it to the school. Parents are responsible for the rental of any instruments that are not supplied by the school. Students who have rental instruments may not leave their instruments in school and must transport the instrument on the bus for their lesson. If this form is not returned, it will be assumed that your child is not interested in instrumental lessons at this time.
