Therapist Release Form

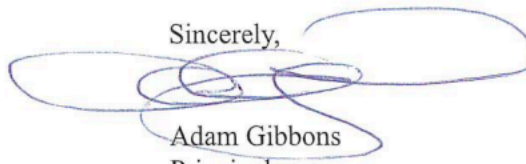

Dear Guardian,

Windsor Learning Center likes to utilize all the resources available to further enhance and support the education of your student. One important way to do this is to have your student's therapist communicate with your student's School Social Worker.

If your student is seeing a therapist outside the school setting, we encourage you to complete and return the lower section of this letter as soon as possible, thus allowing for your student's private therapist to contact the School Social Worker.

Thank you for your anticipated cooperation in this matter. Please feel free to contact me if you have any questions.

Sincerely,

Adam Gibbons
Principal

I hereby give Windsor Learning Center permission to speak with my student's therapist.
