Image Consent Form

Dear Guardian,

We are sending you this image consent form to request permission for your student's photo/image on the school's website, www.windsorschoolsnj.com, as well as all other forms of media that are related to and/or generated by our school.

As you are aware, there are potential dangers associated with the posting of personally identifiable information through media and on a website since global access to the Internet does not allow us to control who may access such information. These dangers have always existed; however, we schools do want to celebrate your student and your student's work. The law requires that we ask for your permission to use information about your student.

We will not release any additional information such as last name, residential addresses, e-mail addresses, phone number, and locations and times of class trips. If you wish to rescind this agreement, you may do so at any time in writing by sending a letter to the Principal of our school and such rescission will take effect upon receipt by the school. Please be advised that local newspapers and other organizations may publish photos/images as a result of students being recognized for a variety of accomplishments; these may subsequently appear on that organization's website. We do not have any ability to prevent such postings.

Please check one of the following choices:

- I/We GRANT permission for this student's photo/image to be published on the school Internet site as well as all other forms of media that are related to and/or generated by our school.

- I/We DO NOT GRANT permission for this student's photo/image to be published on the school Internet site as well as all other forms of media that are related to and/or generated by our school.
